## Grosvenor National Limited Retirement Benefit Pension Scheme ("the Scheme")

---

Dalriada. A better way

### Important announcement to members of the Scheme

We are writing to you as we believe you may have joined the Scheme and transferred in pension benefits from a previous arrangement.

Dalriada Trustees Limited ("Dalriada") was appointed as independent trustee (with exclusive powers) to the Scheme by Order of The Pensions Regulator ("TPR") on 3 October 2024 as a result of concerns about serious administrative failures by the previous trustees. All trustee powers and rights are now held by Dalriada, to the exclusion of all other trustees of the Scheme.

TPR is a statutory body which is responsible for the regulation of work-based pension schemes in the UK. Its aims include protecting the benefits of pension scheme members, together with promoting good administration and understanding of occupational pension arrangements.

### Why have we been appointed as independent trustee to the Scheme?

TPR has the power to appoint a trustee under Section 7 of the Pensions Act 1995 where it is reasonable to do so, in order to:

- secure that the trustees as a whole have, or exercise, the necessary knowledge and skill for the proper administration of pension schemes;
- secure that the number of trustees is sufficient for the proper administration of schemes;
- secure the proper use or application of the assets of schemes; or,
- otherwise to protect the interests of the generality of the members of schemes.

Dalriada is a company that operates solely to provide trusteeship services to UK occupational pension schemes. It has considerable knowledge and experience in all aspects of pension scheme management. Dalriada currently acts as independent trustee to a number of schemes where we have been appointed by TPR.

# Member Announcement

Our role as independent trustee is as follows:

- To administer the Scheme.
- To identify and reconcile the membership of the Scheme.
- To identify and reconcile the assets of the Scheme and understand the nature of all assets held.
- To act in the best interests of all members and beneficiaries.
- To assist TPR with any queries in relation to the management of the Scheme.

## What action has been taken so far?

Dalriada's role as trustee of the Scheme is to act in the best interest of members. Our focus will be on achieving the best possible outcome for members, by attempting to maximise the recovery of funds. The documentation available to date has been very limited, but we are investigating and gathering information on how the Scheme operated historically, what actions the previous trustees took, and importantly whether the purported investments made on behalf of the Scheme now hold any value.

After carrying out the above investigation and assessment, if we conclude that there has been a financial loss to the Scheme, attributable to an act of dishonesty, we will apply for compensation from the Fraud Compensation Fund ("FCF") on behalf of the Scheme (see below).

We will continue to deal with the Scheme's legal and governance obligations wherever possible, including submitting scheme returns to TPR and preparing the annual Chair Statements. Where there are any governance breaches due to the specific circumstances of the Scheme, we will explain why these breaches have taken place and will report them to TPR. Copies of Chair Statements and other key documents will be published on the member website (linked below).

We are in the process of collating bank account information relating to the Scheme and determining whether there are Scheme assets held elsewhere. As mentioned above, we will need to fully examine and gain a full understanding of all assets of the Scheme, including where and how they are held.

Dalriada is undertaking a detailed analysis of all the information it has obtained and will update members further once we are in a position to do so.

## What can you do to help?

In order to gain a better understanding of how the Scheme worked and why members joined, we would be grateful if you could complete the enclosed Member Questionnaire.

As requested in the attached questionnaire, please also supply copies of all correspondence or other communications which you may have received in relation to your membership of the Scheme. Your responses will assist us in our investigation and will help to ensure that the best possible outcome for members is achieved.

## The Fraud Compensation Fund

The FCF is a fund managed by the Pension Protection Fund ("PPF").

There are certain conditions to be met before a scheme will be considered eligible to make a claim to the FCF. The Scheme does not yet meet all of these pre-conditions to make a claim, but Dalriada will work towards satisfying these conditions, if possible.

# Member Announcement

We include mention of the FCF here as a claim for compensation may be the best chance of getting funds into the Scheme to a level which would allow us to settle benefits. Dalriada are some way off submitting an application to the FCF at this stage, but we will update members in due course.

We have included a Frequently Asked Questions document from the FCF which provides further information. You can also find out more by visiting their website at [www.fraudcompensationfund.co.uk](http://www.fraudcompensationfund.co.uk)

## Investments

The Scheme was funded by way of individual members transferring-in their previous pension benefits. It appears that the previous trustees made various purported investments on behalf of members, but at this time these are still unclear. Once we have more information, we will provide members with a more detailed breakdown of the investments, including the steps taken to recover those funds, if at all possible.

## What is the current position regarding transfer values and member benefit calculations?

Members' funds appear to have been paid out of the Scheme, leaving no funds remaining. As a result, it is not currently possible to provide transfer values, provide any benefit payments from the Scheme, or indicate what level of benefits might be payable to members in the future.

Should any funds be returned to the Scheme in due course, Dalriada will update the membership accordingly.

## General Data Protection Regulations ("GDPR")

Dalriada, as trustee of the Scheme, has a policy for meeting our obligations under the Data Protection Act 2018 and GDPR. Please see link to our full Privacy Policy below:

[https://www.dalriadatrustees.co.uk/wp-content/uploads/2018/10/Data-Privacy-Notice\\_-1.pdf](https://www.dalriadatrustees.co.uk/wp-content/uploads/2018/10/Data-Privacy-Notice_-1.pdf)

We would like to draw your attention to the following key points:

- Individuals have increased rights under the GDPR in relation to their personal data which include, in certain circumstances, the right of access to data and rectification and erasure. We hope you understand that we need to hold your data to be able to determine any benefits and to answer any questions about your entitlement.
- The general management and administration of the Scheme, including responding to Subject Access Requests ("SARs"), incur costs against the Scheme. Therefore, should you wish to make a SAR, we would ask you to call Dalriada in the first instance on the number provided below.
- Where a SAR is received from a third party on behalf of a particular member, Dalriada's obligations are to provide the necessary information to the data subject directly (i.e. to the member). Therefore, we would like to reiterate that where a member is pursuing a claim through a third party, the member should contact Dalriada in the first instance.
- This GDPR notification does not affect your benefits entitlement in any way.

## Warning to Members – Fraudulent Letter

We were previously made aware of a fraudulent letter sent to members of another pension scheme to which Dalriada was appointed independent trustee by TPR. The letter claimed to be from David Copeland as a Director of Dalriada, and asked members to call a telephone number provided in the letter to discuss claims. This letter did not come from Dalriada and the telephone number was not a Dalriada telephone number.

# Member Announcement

If you receive correspondence which appears to be from Dalriada, asking you to 'make a claim' in a limited timeframe, this letter is bogus. **PLEASE DO NOT CALL ANY NUMBER PROVIDED.** If you do call a number in such correspondence you will likely be asked to make a payment or asked to provide personal information. Again, please **NEVER DO THIS.**

Dalriada took this matter very seriously and filed a report with Action Fraud and the police (Police Service of Northern Ireland (PSNI)) at the time.

If you receive any such letter and/or call any number included, please get in contact with Dalriada and report the matter to Action Fraud as soon as possible. You can contact Action Fraud on:

Telephone number: 0300 123 2040

The PSNI has advised that such matters should also be reported to your local police and the same crime number should be used when reporting to them.

Dalriada's legitimate contact details can be verified on our website. In light of this fraudulent letter, for your security, we would prefer members to contact us by e-mail in the first instance and, if necessary, we will call you back. If you do contact us by telephone, you should use the number shown in the 'What Should I Do If I Have Further Questions?' section below or, otherwise, a number that you can find and verify on the Dalriada website or on the Scheme's website page.

To be absolutely clear, Dalriada will **NOT** ask you to make any payment and/or disclose sensitive personal information. If you receive a call from (or make a call to) someone saying they are from Dalriada and who asks you for money or to disclose personal information, this is a scam and you should hang up and report the call to us and Action Fraud, as set out above.

Whilst we would ask that contact is initially made by email where possible, should you have any specific personal queries in relation to this Announcement, your membership of the Scheme, or should you wish to provide us with further information, please note that you can still contact us as set out in the 'What Should I Do If I Have Further Questions?' section below.
